

#BeyondWaHi - Hello from the College & Career Center! 9-9-20

Hello Wa-Hi!!!

Welcome from the Career and College Center! For those of you who don't know me, my name is Katharine Curles and I'm the Career Specialist at Wa-Hi and SEATech. That's a fancy way of saying that my job is to help students figure out what they want their lives to look like outside of Wa-Hi including volunteering, jobs, careers, and college. I am really excited to work with all of you this year, even though it may look a bit different. Here are some ways that we can all be in touch:

- **Attend the Career Center events!** The [Beyond Wa-Hi website](#) has all of our events listed!
- **Talk to me!** I have lots of ways to get in touch: email, texting, phone (gasp! scary phones!), social media... I'll also be holding **office hours on zoom every Monday at 2pm.** [Join me there!](#)
- **Stay informed!** Join my remind and follow me on social media so you can always know what is happening in the land of planning for Beyond WaHi. All that information is at the end of this email
- **Read my emails.** I send emails to students weekly. If you read them, you may learn about cool new opportunities! Also, I include memes and pictures of my dog and ducks (like this!):

Can't wait to get to know each of you more this year. Be well, reach out, and know that we're all here for you!

Katharine
