

Hey there 2021!

Fall is coming! Go jump in some leaves... it's fun!

This week, we are talking about college fairs! We're not doing any of our own college fairs this year but we are encouraging you all to attend some! The one I really encourage is called PNACAC and it's THIS WEEK

HERE'S HOW TO REGISTER:

Go to... <https://www.pnacac.org/> and follow the instructions!

Hang in there- we're all in this together!  
Care for yourselves and those you love,  
Katharine

### SELF CARE

[Here are some really helpful hints for managing assignments, emails, and more!](#)

### ADULTING

Don't be that meme. Numerous colleges have told me that students need to learn to leave voicemails. So here you go! When you call someone, make sure you leave a message so they can return your call. Include:- Your name  
- The topic or what you need help with  
- A phone number they can call you back.

The goal is to talk slow and have your message last 20-30 seconds.

## COLLEGE PREP

This week's heading to college goals

- Finalize your list of schools and begin applications
- Fill out your FAFSA/WASFA application or make plans to so

.... let's get it done!
