

# #BeyondWaHi - College Prep and Summer Opportunities 3-16-21

Hi all!

Wa-Hi students, it has been SO GOOD having you on campus! (WWO, we love you too!). It has been so long and we are just thrilled to have you back. Thanks for being so great at social distancing, masks, etc!

This has information about jobs, college prep stuff, and more!

My classroom is currently in A-37 - feel free to come by if you have any questions!

Katharine

## Want a Job?

We have a job board! [Wahi.link/jobs](http://Wahi.link/jobs) - check it out for the jobs I know of at the time! :)

## Summer Opportunities:

[Apply to Girls Who Code's free 2-week Virtual Summer Immersion Program](#) for an unforgettable experience! Current 9th -11th grade girls and non-binary students are eligible to apply.

**The application deadline is March 19th!** We strongly encourage students from underrepresented groups in tech to apply early, including Black, Latinx, and students from low-income backgrounds.

*Why should you join Girls Who Code this summer?*

- Learn how to use HTML, CSS, and Javascript coding skills to make an impact on what matters to you. Not a coder yet? No problem!
- Join a sisterhood of supportive peers and make lifelong friendships!
- Meet women in tech from top corporations like Disney, AT&T, Twitter & more.
- You can join for free! Plus, Girls Who Code will provide need-based tech support for those who qualify. [Join a webinar](#), [check out this flyer](#) and the [FAQ page](#) for more information.

University of Idaho's [Virtual Summer Design Days](#) camp is **June 24-25** and Registration is Now Open!

This year's Summer Design Days is a LIVE online workshop series and will take place virtually on **June 24-25**. Share with all the talented high school students you know so they can start planning a summer to remember — full of hands-on design opportunities with fellow high school students from around the country!

The University of Idaho's [Virtual Summer Design Days](#) camp offers exploration of the following disciplines:

- Architecture
- Art + Design
- Interior Architecture and Design

- Landscape Architecture
- Virtual Technology and Design
- Apparel, Textiles and Design\*

Students in grades 9-12 will experience immersive workshops in a virtual university environment while completing hands-on projects in a discipline they choose. In these dynamic workshops, they'll learn about design, meet our amazing design faculty and explore majors in the topics that interest them.

All supplies will be mailed to them once they register, and the only requirements to participate are a strong internet connection and a computer with Zoom capabilities.

## **NEXT WEEK:**

### ***American Dream Academy***

Join us for one or for all sessions! Get the information needed to accomplish your dreams. **What will you say after attending?**

Each day attended will get you one entry for a drawing for a \$300 WWCC Foundation Scholarship or WWCC Bookstore gift card.

- March 22 – Preparing for College
- March 23 – Understanding College Terminology
- March 24 – How to Apply for College
- March 25 – How to Obtain Financial Aid
- March 26 – Preparing for Success /scholarship winner announced.

**Sign up for free at [wwcc.edu/ada](http://wwcc.edu/ada)**

That's it for now - have a great one!
